Dear Mr. Weisburg,

I am writing to you in regards to the telephone conversation we had on February 6, 1997, in which you had expressed an interest in my assistance in transcribing some of your work.

I will gladly do what I can to accommodate you if that is still your wish.

There are a few natural questions which I will answer before we proceed: I am not now, nor have I ever been, associated or affiliated with any law enforcement, government or intelligence agency. My interests in assisting you in your work are purely for the purpose of clarification of the public record regarding the assassination of John F. Kennedy.

My mailing address is listed above, and my telephone numbers are listed as well. Please feel free to contact me on any matters at any time. My own work keeps me fairly busy, but a message can be left at my home telephone number or my 24-hour voice mail answering service.

Thank you for your time and attention in this matter.

Sincerely,

  
Brett D. Brodersen
